WHAT IS SNA?

Southport Neighbors Association (SNA) is a not-for-profit organization committed to helping neighbors get to know each other, connect on broader issues affecting our community, and improve our neighborhood. We are *neighbors committed to community*.

SNA's history dates back to the summer of 1988, when it was formed to give residents a voice in response to the addition of lights and night games at Wrigley Field. Since then, SNA has become a grass-roots community organization, tackling quality of life issues including: safety, traffic, parking, zoning and development.

SNA's mission includes: encouraging compatible residential and business development; initiating and supporting neighborhood beautification projects; providing residents with forums and information on quality-of-life issues and historical preservation and building community.
