Community Crime & Safety Update

by Rick Feterick

Help Shape the Future of Community Policing

The 19th District Council has been sharing updates on the important CPD Workforce Allocation Study currently underway. A key part of this study is gathering community input on how CPD should approach its community policing philosophy—something that will shape how safety and relationships are built for years to come. Their upcoming District Council meeting will be a dedicated opportunity to share your feedback and help guide this critical work. Join them on Saturday June 28th at 11:00a at Third Space (716 W. Addison). If you can't make it, feel free to share your feedback directly with CPD here [CPD Community Engagement Survey](#). Also, please sign up for their newsletter at www.19thdistrictcouncil.com to learn more and stay informed.

West Lakeview Needs Your Help

West Lakeview Special Service Area (SSA) 27's 15 year term ends 12/31/2025, and must go through a renewal process throughout 2025 in order for West Lakeview to keep crucial SSA services like litter pickup, landscaping, holiday decor, outdoor furniture maintenance, community events, public art, and more. To keep West Lakeview safe, beautiful, and fun, we need 20% of signatures representing all Property Index Numbers (PINs) within the SSA 27 boundaries, and you can help. Learn more about this crucial initiative [here](#). Please reach out to SSA 27 Program Manager Robert Morvay at robert@lrvc.org to learn how to sign for your PIN.
